## Suppliers from other EU countries:

- The invoice must contain the VAT number of the supplier as well as the VAT number of ODU Romania Manufacturing SRL.
- It must be included on the invoice, that it is a “tax-free intra-Community supply”.
- Services under the “Reverse Charge”: an appropriate note is already necessary on the order confirmation. A note on the invoice, that the “sales tax liability is transferred to the recipient of the services” is also necessary.

We kindly ask to follow these regulations
