PRESS RELEASE

Mühldorf a. Inn, 23.12.2022

ODU employees donate 9,000 euros

Mühldorf a. Inn. The trainees organised, the employees donated: 9,000 euros were collected. And before Christmas, trainee Martina Reichl and Managing Director Dr.-Ing. Kurt Woelfl handed over a cheque to the Winhöring animal shelter.

"Especially with the rising costs, we are pleased about the generous support," says Christina Hörl, 1. Chairwoman of the Winhöring Animal Shelter. When it comes to animal welfare, the animal shelter in Winhöring is often the first port of call. This is also good and right, because the animal shelter and the animal protection association perform important tasks: from counselling to taking in and placing animals and public relations work - animal protection and the animal shelter are in demand. They are responsible for more than 30 communities in the districts of Altötting and Mühldorf.

The ODU trainees are all the more pleased. They organised the raffle at this year's ODU Christmas party. Martina Reichl, 2nd year industrial clerk apprentice: "The organisation of the Christmas party, with a raffle and many other activities, is a big responsibility. It's great that we are trusted so much and they get to organise Christmas parties."
