## PRESS RELEASE

Mühldorf, 23-01-12

### **ODU donates again and supports Sterntaler Waldkraiburg e.V.**

"We are very grateful for the past years," were the opening words of Dr Josef Leitner, Managing Director of ODU. "And although the last few years have been challenging, we have mastered them well so far. The cohesion of the employees within the company makes us strong. We want to pass on this good feeling." Because not everyone can look back on such years. This is precisely why ODU supports people from the region. The Sterntaler e.V. association can be pleased about a donation of 4,000 euros. The Sterntaler Waldkraiburg support families and children in need with the aim of directly helping families in material need. In addition to financial support or donations in kind, this can also include the payment of parental contributions or requests for childcare and tutoring.

"We now have requests almost weekly," says chairperson Inge Schnabl. Each request must be submitted through a sponsor and is then checked for neediness. Chairwoman Inge Schnabl and Waldkraiburg Mayor Robert Pötzsch accepted the donation. This will immediately be invested in crèche trolleys for two kindergartens from the district of Mühldorf. "We are happy to be able to support and are grateful for associations that take on social projects on a voluntary basis," said Denis Giba, Managing Director of ODU.
